Improvement of Water Supply at Kolar

Continuation Sheet | File No / Current No. | of | Page

7 The Gross estimates of the Kolar Town Municipal receipts in the Branch Tables, show an increase over the Actuals receipts that alone is of Rs 1928 Rs 19287- against a normal income of Rs 52,921 & a normal expenditure of Rs 46,704/ and the financial condition of the municipalities is stated to be very bad

Subject with reference to para 4 Memo No. 12,843 JA

In view of the above facts, a grant of Rs 1157 may be given to the Kolar Town Municipality as a special case for improvement of water supply arrangements in the Town. The cost will be debited to the water supply grants provided for in the State Budget for 1942-43

The Municipality is not in a position to pay any portion of the above expenditure

Secretariat 1563

Dewan 17/8/43

As this Municipal Council is not in a position to meet any portion of the estimated amount of Rs 1157 it may be sanctioned free to the

Sir

Estimate for Rs 1150 being the charges incurred in connection with water supply arrangements in Kolar Town, consequent on the drying up of the Ramenahalli tank -

I have the honor to state that in connection with the charges incurred for making temporary arrangements for water supply to Kolar Town, consequent on the drying up of the Ramenahalli tank, an estimate for Rs 1150/- was sent by the Sanitary Engineer to the President, Town Municipal Council, Kolar for countersignature and funds

The estimate has been returned by the President, Municipal Council, Kolar duly countersigned intimating that the Council at their meeting held on 20th May 1943 have resolved that the estimate may be countersigned, the cost being met from Government grant as the Municipal Council is unable to meet the special expenditure in view of their poor financial condition

Copies of Sanitary Engineer's letter No 58 dated 14th July 1943 and No CC 575/42-43 dated 17th June 1943 of the President, Town Municipal Council, Kolar are enclosed for the information of Government the estimate is also enclosed

I therefore request you to be so good as to obtain and convey sanction of Government for a grant of Rs 1150/- out of water supply grants for 1943-44 as a special case to the Kolar Town Municipality to meet the cost of temporary arrangements made for water supply to Kolar Town consequent on the drying up of the Ramenahalli tank

I have the honour to be,
Sir,
Your most obedient servant,

Director of Public Health

JDR

Letter No 53 dated 17th July 19 3 from the [illegible] Sanitary Engineer, Kolar, to the Director of Public Health in [illegible], Bangalore

---

Subject - Temporary water supply arrangements in Kolar town, consequent on the drying up of the Tirumakalli tank

I have the honour to state that in connection with the above estimate for Rs. 1,150/- being the charges incurred in connection with the sinking of Manikere Sarjapura well, Kasamathanahunte and Ambalamaradoddi Hospital bore well for urgent water supply purposes in Kolar town, I have to refer to the President, Town Municipal Council Kolar's letter No C.R. 573/42-43 dated 6th May 1943 for countersignature and providing funds

The President vide his letter No C.R. 573/42-43 dated 17th June 1943 returned the estimate duly countersigned and requests for a Government grant in view of the poor resources of the municipality to meet this special expenditure. A copy of the letter received in this connection from the President, Town Municipal Council, Kolar is also enclosed for favour of information

Under these circumstances, consideration may kindly be given to the grant of Rs. 1,150/- as a special case in view of the poor financial condition of the municipality

As desired it has been prepared, herewith submitted for favour of information and action.

Letter No C.R. 573/42-43 dated 17th June 1943 from the President, Town Municipal Council, Kolar, to the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore

With reference to your letter No.1703 dated 6th May 1943 forwarding an estimate for Rs.1,150/- for sinking temporary water supply wells in Kolar town, for countersignature and return I have the honour to state that the subject was discussed by the Council at their meeting held on 20th May 1943 and they have resolved that the estimate may be countersigned the cost being met from Government grant as the Municipal Council is unable to meet the special expenditure in view of their poor financial resources the estimate is herewith returned after countersignature

As desired please find herewith the estimate, I request kindly recommend to Government to sanction a grant of Rs.1,150/- as a special case in view of the poor financial condition of the Municipality

Office of the Deputy Commissioner,
Kolar District,
Dated, Kolar, the 12th August 43

The Secretary to Government of Mysore,
Law Department, Bangalore

Sir,

With reference to your reminder No L 706 dated 16-7-43 to expedite my reply re the estimates prepared by the Sanitary Engineer for improving water supply in Kolar town during the last summer draught, I have the honour to state that the report called for from the President, Town Municipal Council, has not yet been received In the meanwhile, I have recived a copy of letter No C 85/42 dated 19/23-7-43 addiested to you by the Director of Public Health in Mysore, on this subject, from which it is seen that the President of the Kolar town municipal Council has sent on 17-6-43 the estimates in question direct to the Sanitary Engineer after necessary countersignature to gether with the opinion that in view of the financial stingency of the Council, the cost of the estimate be met by Government grant As recommerded by the Director of Public Health, I request that Government may be moved
